Wellmark
Foundation**

“Wellmark Health Literacy and Diabetes”

Monday, August 11, 2008

At Cedar Shore Hotel, 1500 Shoreline Drive, Oacoma, SD

You are invited to attend a one-day free workshop to explore health literacy and diabetes through discussion focus groups and activities. The principal objectives of the workshop are to:

1. Disseminate findings of the Wellmark grant on Health Literacy Assessment and Improvement among American Indian people in South Dakota with Diabetes.
2. Provide a forum for engaging health care providers and patients in a discussion of issues identified.
3. Explore the implications of the recommendations from discussions and focus groups.
4. Identify continuing research and data needs.
5. Consider issues of implementation strategies.

Tentative Schedule

Morning

7:30-8:15	Continental Breakfast
8:05-8:45	Welcome, Introduction Overview of Wellmark Grant
8:45-9:00	Health Break- Simple Yoga Stretch
9:00-10:15	Overview of Grant- Findings Report
10:15-10:30	Health Break- Walk outside
